

OsteoMaxx™

**THE MOST SYNERGISTICALLY BALANCED
FORMULA FOR BONES, JOINTS & BODY**

“When asked what product I would recommend for their osteoarthritis, OsteoMaxx is clearly my choice”

- Michael J. C., R. PH of Giant Foods

“After one treatment and taking OsteoMaxx for a week, my back, knees, and other joint pain were gone. I feel like a different person!”

-John L., Hanover, PA

What is OsteoMaxx?

- OsteoMaxx is the perfect ratio of a proprietary combination of 30 vitamins, minerals, enzymes, amino acids & herbs

Why is it different?

- Works synergistically to stimulate the parathyroid gland's function of producing parathyroid hormone (PTH). This chemical regulates the amount of calcium, phosphorus, and magnesium in the bones and blood
- Widely used in medical practices to help with osteoporosis, osteopenia, arthritis, strains, sprains, fractures, breaks, joint, muscle, and bone pain
- Doctor formulated
- Grade 5-Pharmaceutical
- Can be combined with pharmaceuticals, NSAIDs & prescription medication without drug interactions
- Effective for humans & animals
- Available in tablet, capsule and 5 flavor powder mix
